**ARTICLE XVIII. Business Expenses and Credit Card Policy**

1. This article establishes a policy governing the reimbursement of business expenses (travel, meals, and other expenses) incurred conducting East Side Teachers Association business, as well as a policy for the appropriate utilization and accountability for the use of an ESTA corporate credit card. It is ESTA’s policy to comply with the Internal Revenue Service regulations by requiring the accounting for ordinary, necessary and reasonable expenses on a timely basis in accordance with an “Accountable Plan”.

An “Accountable Plan” is a system in which charged or reimbursed expenses are accounted for on a timely basis and includes the following requirements:

1.1. Supports valid ESTA business,

1.2. Substantiation in the form of a receipt and/or invoice,

1.3. Receipts and required documentation submitted within (60) days of the charge.

2.0 Requests for reimbursement of business expense and/or the accounting of charged expenses on the ESTA’s corporate credit card must be submitted on the ESTA Business Expense Report. Original receipts or photocopies are required for all expenses submitted for all expenses. To maintain an Accountable Plan as defined by IRS regulations, the business purpose of the expenditure and the names and business relationships of guests must be included as part of the substantiation and be accounted for within sixty (60) days of incurring the expense. If required information is missing, the expense statement will be returned to the originator.

The ESTA Business Expense Reimbursement form, together with required documentation, must be submitted for review and signature approval before payment is made and/or charged expenses are cleared. The ESTA Executive Officers are responsible to ensure that the expenses are reimbursable under this policy, to validate that the expense report has been filled out properly including the required documentation and receipts, and to verify that the expenses are reasonable and necessary.

2.1 The following are common reimbursable expenses allowable under this policy:

2.1.1 Lodging (statement required),
2.1.2 Travel expenses including airfare(coach), ground transportation, mileage (at IRS standard mileage rate), and parking for conferences within reasonable driving distance,

2.1.3 Reasonable meal costs necessitated by travel, including tips up to 18%,

2.1.4 Business telephone calls,

2.1.5 ESTA approved car rental parking, tolls,

2.1.6 Internet Connection as needed by conference attendees as necessary to participate in conference,

2.1.7 One checked luggage (under 50 pounds) for air travel.

2.2 Non-reimbursable expenses include (but not limited to):

2.2.1 Personal expenses,

2.2.2 Airline club dues,

2.2.3 Traffic fines,

2.2.4 Tips in excess of 18% and tips in addition to pre-applied gratuity,

2.2.5 Hotel room movies and snacks,

2.2.6 Additional luggage,

2.2.7 Alcohol,

2.2.8 Reimbursement for business miles in excess of the lowest coach cost of airfare to the same destination,

2.2.9 First class or business class airfare.

3.0 No policy can anticipate every situation that might give rise to legitimate business expenses. Each individual must use his/her best professional judgment in determining if expenditure is reimbursable under this policy.

4.0 Business travel will be reimbursed at the per mile rate established by the IRS rates or at the actual costs, whichever is lower.
5.0 Credit cards represent an extension of credit to the union and may only be
issued to Executive Officers. Corporate Cards issued by ESTA are not to be used for
personal expenses. The card may not be used to obtain cash advances or for
expenses other than those incurred by the cardholder. Charges incurred on the
corporate card should only be made by the person whose name is on the card. The
charging of personal transactions is not acceptable. Infractions of the conditions of
this policy could result in cancellation of the card and withdrawal of credit card in
question. In all cases of misuse, ESTA reserves the right to recover any monies from
the cardholder. ESTA may recover from reimbursable expenses any unauthorized
amount claimed.

5.1 Credit card expenditures must be reconciled and submitted within 60
days of the close of the month the charge was incurred. Those who do not
submit the required monthly expenditure report may or may not be sent a
written reminder. At the end of the 60 days the card may be canceled if no
report has been submitted. At the end of 120 days, the person responsible for
the expense will need to reimburse the Association (including appropriate
taxes);

5.2 Cardholders are expected to exercise prudent business judgment
regarding expenses covered by this policy. The business activity or
connection must be necessary in the performance of the cardholder’s duties
or responsibilities, and there must be a clear business purpose for the
expense;

5.3 Both the name of the local and the Officer should be displayed
(embossed) on the corporate card;

5.4 The corporate card account should be under the local’s EIN (Employer
Identification number);

5.5 Cardholders not in compliance with this policy risk suspension of the
 card and potential employment and legal ramifications;

5.6 Lost or stolen cards must be reported immediately to the President or
 Treasurer. The support staff will then be directed to cancel the card;

5.7 Prior to departure or termination of duties, the cardholder must ensure
his/her account is settled prior to departure. The card must be surrendered
upon request by the President or Treasurer.
